Relax in *comfort*

SUNROOMS • SCREEN ROOMS • ENCLOSED PORCHES

Aristocrat
SUNROOMS

CRAFT-BILT • OVER 70 YEARS OF AMERICAN MANUFACTURING

Sunrooms offer a peaceful haven to unwind and relax in comfort or entertain in style, free from inclement weather and pesky insects

Expand your living space and enhance your living experience

Your need for extra space can be satisfied with an affordable home addition designed to fit your lifestyle and budget while enjoying a whole new way of looking at the world around you.

Walls of glass and screen bring gracious living to any home, transforming a patio, deck or porch into an inviting retreat nestled in the natural beauty of the outdoors yet fully protected from the elements. Once you've escaped to your Aristocrat Sunroom, you'll wonder how you ever lived without one.

From an inviting open living space to enjoying scenic views and basking in natural light, sunrooms are a sound investment and the perfect accent to your home and lifestyle. Take in all that Aristocrat has to offer and increase your home's value for a fraction of the cost and construction time of traditional home additions.

GABLE ROOF

ENCLOSE YOUR PORCH

SUNROOMS • ENCLOSED PORCHES

Any addition to your home should also satisfy your unique style of living, and Aristocrat offers options to customize your sunroom for your personal needs and desires. Year-round sunrooms with insulated glass allow you to heat and cool your space in most weather conditions while affordable three-season rooms extend your outdoor living season. You can also enclose your existing porch and convert it into a sunroom. All sunrooms are custom designed to complement the architecture of your home.

- Rugged screens in full 3" frames
- Ceiling height, glass transom and kneewall options
- Gable and studio roof styles available
- Roof system is ENERGY STAR® compliant in all 50 states (with white roof exterior panels)
- Built-in electric raceways meet national codes
- All door/window units feature tempered glass and stainless steel tracks
- Durable Krystal Kote® provides a protective finish for our fully engineered roof panels
- Built-in gutters color matched to your sunroom
- 25-Year manufacturer's warranty

YEAR-ROUND VINYL SUNROOMS

- State-of-the-art reinforced vinyl construction
- Rugged 4+" wall thickness for doors and windows

- Fully engineered 3" extruded aluminum components
- Interlocking frames provide added structural strength
- Color-matched handles
- Choose low-E, argon-filled, insulated glass or economic single pane, tempered glass

Choose: White Desert Sand Earthstone

TRADITIONAL SCREEN ROOM ADDITION

MOTORIZED RETRACTABLE SCREEN ROOM

SCREEN ROOMS • MOTORIZED SCREEN ROOMS

Enjoy added living space filled with fresh air, sunshine and no insects. Choose between a traditional fixed screen room and our new motorized retractable screens on a zippered track. With retractable screens, you can transform your space from an open porch to a screen room with the push of a button, adding protection from bothersome insects. Aristocrat Screen Rooms are built to your specifications with the same quality components that are used in our sunrooms.

PATIO COVERS • CARPORTS

Aristocrat Patio Covers and Carports are an affordable solution that increases the value of your home by adding shelter and living space while protecting you from rain, sun and snow. With the same quality insulated roof panels as our sunrooms, built-in gutters, structural posts and a maintenance-free finish, they can be converted into a sunroom or screen room for added enjoyment in the future. Available in white, desert sand and earthstone finish.

ALUMINUM & GLASS STRUCTURAL RAILINGS

Complement your home's exterior with elegant railings that are both beautifully crafted and built to last. With maintenance-free aluminum that never needs staining or repainting, our structural railings are available with traditional pickets or glass panel inserts in clear, tinted or frosted tempered glass. Perfectly match your Aristocrat Sunroom with white, desert sand or earthstone railings or choose black railings for a decorative accent.
